Topics (with Daphne Snook)

- PLC – Reading Professional Learning Committee
- RTI – investigating
- Data Collection – should be ongoing
- Observations – students are reading more!
- Think about assessments and everything we are doing to assess students in literacy
- WIKI overview

Developing a “consistent” District writing program

- In groups of 3-4, committee members discussed and completed questionnaire (see questionnaire form for feedback).
- Open discussion on questions and feedback
 - RTI
 - General rubric in place for *different* types of writing. There is a need for specialized rubrics.
 - “Monthly” prompts have been changed/reconstructed for some grades (not elementary).
 - There is no specific “WRITING” curriculum. We need “scope and sequence” established.
 - Differences from each end of the district. Need for the consistency.
 - What is the status/policy for writing folders – the ones that follow the students year to year?
 - Develop consistency with writing folders.
 - Develop PORTFOLIOS (bring them back).
 - Explore other districts and what they are doing!
